

BEDROOM CLEANING

Checklist

- Declutter duty:** Scoop up anything that doesn't belong in your room and sort it into keep, donate, or toss piles.
- Dust defense:** Run a cloth over your shelves, desk, and other surfaces to tackle the dust.
- Mirror and window magic:** Give your mirrors and windows a fast spritz and wipe to make them shine.
- Floor force:** Vacuum or sweep up the crumbs, dust, and any stray socks hanging out on your floor.
- Bed boss:** Make your bed look sharp every day and remember to switch those sheets and pillowcases weekly.
- Laundry league:** Throw dirty clothes into the hamper, fold the clean ones, and stash them in drawers or the closet.
- Kitchen cleanup:** Round up all your dishes, glasses, and random snack wrappers and take them to the kitchen.
- Clothing command:** Hang up clean clothes and organize drawers, making sure all dirty ones go in the laundry basket.
- Gear grid:** Sort your gaming gear, sports equipment, and other accessories into designated spots for easy access.
- Trash triumph:** Empty the garbage from your wastebasket and pop in a fresh liner.
- Organization operation:** Find the perfect spots for your books, gadgets, and other essentials when they're not in use.
- Germ guard:** Grab a disinfecting wipe or damp cloth and clean your light switches and doorknobs.
- Freshness factor:** Crack open a window or switch on a fan to keep your room feeling and smelling fresh.
