

BEDROOM CLEANING checklist

- 1. **Ditch the mess:** Grab anything that doesn't belong in your room and sort it into keep, donate, or toss piles.
- 2. **Dust-bust:** Swipe a cloth over all your shelves, dressers, and other surfaces to get rid of that pesky dust.
- 3. **Sparkling mirrors and windows:** Make your mirrors and windows shine with a spritz of glass cleaner and a quick wipe.
- 4. **Floor patrol:** Vacuum or sweep away all the crumbs, dust, and random stuff chilling on your floor.
- 5. **Bed game strong:** Make your bed look Insta-worthy every day and switch out those sheets and pillowcases weekly.
- 6. **Conquer the laundry mountain:** Toss dirty clothes in the hamper, fold the clean ones, and put in drawers or the closet.
- 7. **Kitchen duty:** Take all your dishes, glasses, and snack wrappers to the kitchen for a clean sweep.
- 8. **Clothes control:** Hang up clean clothes and organize drawers. Make sure dirty clothes go straight to the laundry basket.
- 9. **Jewelry jam:** Sort and store your jewelry in an organizer or jewelry box, so you can find the perfect accessory in a snap.
- 10. **Makeup magic:** Organize your makeup in a neat fashion, making it easier to find what you need for that perfect look.
- 11. **Trash talk:** Dump the garbage from your wastebasket and pop in a fresh liner.
- 12. **Organize like a boss:** Find cool spots for your books, gadgets, and accessories to live when they're not in use.
- 13. **Wipe out germs:** Grab a disinfecting wipe or damp cloth and clean your light switches and doorknobs.
- 14. **Freshen up:** Crack open a window or switch on an air purifier to keep your room smelling fresh and clean.
